152ND ROYAL TROON

14 - 21 July 2024

The Open is where reputations are built and history made as the world's best players battle it out for the title of Champion Golfer of the Year.

Behind the scenes the stage is set by the craftsmen and experts whose skills have always played their part, since the origins of the game, in making The Open the most celebrated contest in golf.

152ND ROYAL TROON

Royal Troon's Old Course was founded in 1878, expanded to 18 holes 10 years later and re-designed by five-time Champion Golfer James Braid ahead of its first Open in 1923.

The last time The Open was held at Royal Troon, Henrik Stenson lifted the Claret Jug after a dramatic battle with Phil Mickelson over the Ayrshire links. The head-to-head mirrored the famous 'Duel in the Sun' between Tom Watson and

Jack Nicklaus back in 1977, with Stenson becoming the first Swede to be named Champion Golfer of the Year.

Watch the world's best at this unrelenting links from the comfort of our Origins Premium Experiences at The 152nd Open. Offering a wide variety of exciting options on-course and in the heart of the action, enjoy fully inclusive hospitality for over 10 hours within one of our premium restaurants.

CHAMPIONS

at The Open

To win The Open is to shape history and pass into legend. For this is a contest unlike any other and it creates Champions so unique, they break the mould.

From the beginning, when Willie Park Sr. won the first Championship at Prestwick in 1860, they have created history. Each Champion writes his own story and these stories are what sets The Open apart. ENGRAVERS

at The Open

The engraver's art is all about precision and the finest detail. It is a silver service – premium, polished, select – demanding grace under pressure to deliver the highest quality workmanship when the winner is known and the world is watching. The Champion Golfer of the Year lifts the Claret Jug, but only the engraver is entrusted to leave their mark on it.

"Probably the most difficult name I ever had to tackle was Mark Calcavecchia at Troon. I made sure I checked that out a few times!"

SCORERS

at The Open

Every shot logged. Fairways hit or missed, clubs used off the tee and to the green. The drives, the chips, the putts. Scores recorded, checked, signed for. A numbers' game with its own language. At the first Open in 1860, competitors' scores were scrutinised and written down by their gentlemen backers and independent markers. Digital hand-held devices are now the tool of the scorer's trade. Yet echoes of the past remain. On the 18th green, the sound of the scores being manually updated on the giant leaderboard recalls the origins of The Open.

Hearty classics served up in a stylish and relaxed environment

Scorers is a stylish introduction to sporting hospitality. Guests have the opportunity to soak up all the action in a fun, festival style atmosphere.

Located on the lower level of the Origins Hospitality Pavilion on the 15th hole, Scorers boasts a private garden area and large outdoor LED screen allowing you to enjoy time with your group in this lively setting, while keeping track of the play on-course.

The bistro-style fare and flexible layout of this experience makes it the perfect for businesses looking to entertain guests in a relaxed, spacious environment or for golf fans looking to enhance their day, whether under cover or al fresco.

Upgrade to Scorers Premium and you will benefit from your own private table for the entire day. This is available for 10 guests per table.

OUR ICONIC LEADERBOARDS

Pupils from the boarding schools of Charterhouse and Cranleigh have been manually operating the two leaderboards at the 18th green since 1979. Assisted by real-time digital scorekeeping, the students still change the names, scores and positions by hand. More than 30 years later, posting a leader board update first remains a matter of pride.

“The whole experience was just marvellous. A sporting memory that will last forever.”
