Hospitality at The Open

**151<sup>ST</sup> ROYAL LIVERPOOL**

16 - 23 July 2023

The Open is where reputations are built and history made as the world's best players battle it out for the title of Champion Golfer of the Year.

Behind the scenes the stage is set by the craftsmen and experts whose skills have always played their part, since the origins of the game, in making The Open the most celebrated contest in golf.

## 151<sup>ST</sup> ROYAL LIVERPOOL

Royal Liverpool was created to be a demanding test of golf. At first glance Royal Liverpool appears flat and benign, however Hoylake makes the trickiest demands of a player's shot selection, distance control and accuracy.

Lying at the very heart of golfing history, this links of great complexity first hosted The Open in 1897.

This will be the 13<sup>th</sup> time that Royal Liverpool has hosted The Open, with legends such as Bobby Jones and Tiger Woods both previous Champion Golfers. The most recent champion to lift the Claret Jug here was Northern Ireland's Rory McIlroy in 2014.

# CHAMPIONS

at The Open

To win The Open is to shape history and pass into legend. For this is a contest unlike any other and it creates Champions so unique, they break the mould.

From the beginning, when Willie Park Sr. won the first Championship at Prestwick in 1860, they have created history. Each Champion writes his own story and these stories are what sets The Open apart. # ENGRAVERS

at The Open

The engraver's art is all about precision and the finest detail.  
It is a silver service – premium, polished, select – demanding  
grace under pressure to deliver the highest quality workmanship  
when the winner is known and the world is watching.  
The Champion Golfer of the Year lifts the Claret Jug, but only  
the engraver is entrusted to leave their mark on it.

# SCORERS

at The Open

Every shot logged. Fairways hit or missed, clubs used off the tee and to the green. The drives, the chips, the putts. Scores recorded, checked, signed for. A numbers' game with its own language. At the first Open in 1860, competitors' scores were scrutinised and written down by their gentlemen backers and independent markers. Digital hand-held devices are now the tool of the scorer's trade. Yet echoes of the past remain. On the 18<sup>th</sup> green, the sound of the scores being manually updated on the giant leaderboard recalls the origins of The Open.

## Hearty classics served up in a stylish and relaxed environment

Situated in the heart of the golf course, Scorers provides a comfortable base with easy access for you and your guests to watch the world's best players tackle this deceptively difficult links course.

Enjoy the lively atmosphere of the private garden and watch events unfold on the large TV screen whilst savouring the bistro-style fare.

Upgrade to Scorers Premium and you will benefit from your own private table for the entire day. This is available for 10 guests per table.

### OUR ICONIC LEADERBOARDS

Pupils from the boarding schools of Charterhouse and Cranleigh have been manually operating the two leaderboards at the 18th green since 1979. Assisted by real-time digital scorekeeping, the students still change the names, scores and positions by hand. More than 30 years later, posting a leader board update first remains a matter of pride.

“The whole experience was just marvellous. A sporting memory that will last forever.”
